**Configuration:** 1

Dual Honeywell AR-602C Solid State Cockpit Voice Flight Data Recorder (SSCVFDR) Installation

**Mod. Order:** 2-54965-801

**AFMS:** 2-54965-912

**Master Kit List:** 2-54965-800

**ICA:** 2-54965-903

### Summary:

The dual Honeywell AR-602C Solid State Cockpit Voice and Flight Data Recorder (SSCVFDR) systems consist of two SSCVFDRs and a Flight Data Acquisition and Management System (FDAMS) Digital Flight Data Acquisition Unit (DFDAU) installed in the tail boom section, just aft of the main cabin bulkhead, and an Air Data Sensor installed in the nose avionics compartment. The system also includes various accelerometer and position sensors installed throughout the rotorcraft to acquire the necessary signals.
