

1. Acceptance of Purchase Order

Agreement by Seller to furnish the materials, parts, and products (“goods”) or services, including the products resulting from such services, or its commencement of such performance, or acceptance of any payment, shall constitute Seller’s unqualified acceptance of this Purchase Order. Buyer will not be bound to any prices or delivery to which it has not specifically agreed in writing. Any terms or conditions proposed by Seller inconsistent with or in addition to the terms and conditions herein shall be void and of no effect unless specifically agreed to by Buyer in writing. Modifications or additions to these Purchase Order terms and conditions must be in writing and signed by Buyer’s Purchasing Representative. These terms and conditions, together with all supplements, documents, exhibits, attachments, and any other agreements incorporated by reference into this Purchase Order, constitute the entire agreement between Buyer and Seller (collectively “the Parties”) with respect to the subject matter of this Purchase Order, and supersede any prior or contemporaneous written or oral agreements pertaining thereto.

2. Shipping Instructions

- (a) Seller shall be responsible for ensuring the proper packaging of goods hereunder. No charges will be allowed for packing, crating, freight, local cartage, and/or any other services unless so specified in this Purchase Order.
- (b) If Seller uses wood packaging materials such as pallets, crates, boxes, dunnages, cases, skids and pieces of wood used to support or brace cargo being imported into the United States, the wood packaging materials shall be heat treated or fumigated with methyl bromide in accordance with EPA label instructions and include a mark that certifies the wood completed the required treatment under the “Guidelines for Regulating Wood Packaging Material in International Trade,” ISPM 15 of the International Standards of Phytosanitary Measures (ISPM) and any associated amendments, revisions or exemption identified by the U.S. Department of Agriculture, Animal and Plant Health Inspection Service (APHIS).
- (c) Seller shall at all times comply with Buyer’s written shipping instructions and Incoterms (2010 version) reflected on the Purchase Order. Unless otherwise directed, or regulations restrict, all items shipped on the same day from and to a single location must be consolidated on one bill of lading or air waybill, as appropriate. Seller shall submit all required shipping papers to Buyer prior to final payment. Title to goods furnished under this Purchase Order shall pass to Buyer when risk of loss passes to Buyer, regardless when or where Buyer takes physical possession, unless the Purchase Order specifically provides for earlier passage of title.
- (d) Purchase Order number(s) must appear on all correspondence, shipping labels, and shipping documents, including all packing sheets, bills of lading, air waybills, and invoices.
- (e) Invoices shall be entirely in English and shall include the elements set forth in 19 CFR Part 141 subpart F.

3. Delivery; Notice of Delay; Obsolescence

- (a) On time performance is a material condition of this Purchase Order and failure to perform according to the delivery schedule in this Purchase Order, if unexcused, shall be considered a material breach. Acceptance of late deliveries shall not constitute waiver of this provision. Buyer may refuse or return, at Seller’s risk and expense, shipments made in excess of this Purchase Order or in advance of required schedules, or to defer payment on advance deliveries until scheduled delivery dates.
- (b) Seller shall notify Buyer in writing immediately of any actual or potential delay to the performance of this Purchase Order. Such notice shall include a proposed revised schedule but such notice and

proposal or Buyer's receipt or acceptance thereof shall not constitute a waiver to Buyer's rights and remedies hereunder.

- (c) During performance of this Purchase Order, Seller shall notify Buyer of any planned obsolescence of the good(s) set out in this Purchase Order.

4. Termination for Convenience

- (a) Buyer may, by written notice, terminate this Purchase Order for convenience and without cause, in whole or in part, at any time, and such termination shall not constitute default. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.
- (b) In the event of termination for convenience by Buyer, Seller shall be reimbursed for actual, reasonable, substantiated, and allocable costs, plus a reasonable profit for work performed to date of termination. Any termination settlement proposal shall be submitted to Buyer promptly, but no later than ninety (90) days from the effective date of the termination. In no event shall the amount of any settlement be in excess of the Purchase Order value. Buyer may take immediate possession of all goods, complete or incomplete, and all products resulting from services upon written notice of termination to Seller.

5. Termination for Default

- (a) Buyer may, after providing Seller with ten (10) calendar days written notice, and upon Seller's failure to cure such default in that ten (10) day period ("Cure Period"), terminate this Purchase Order in whole or in part at any time by notice in writing for (i) breach of any one or more of its terms, (ii) failure to deliver goods or services within the time specified by this Purchase Order or any written extension, (iii) failure to make progress so as to endanger performance of this Purchase Order, or (iv) failure to provide adequate assurance of future performance; provided, however, there shall be no Cure Period for default related to failure to meet the delivery schedule or defaults incapable of cure. Buyer may also terminate this Purchase Order in whole or in part without a Cure Period in the event of Seller's suspension of business, insolvency, appointment of a receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.
- (b) If this Purchase Order is terminated for default, Buyer may require Seller to transfer title to, and deliver to Buyer all items ordered and specifically paid for hereunder.

6. Force Majeure

Except for a default of Seller's subcontractor at any tier, neither Buyer nor Seller shall be liable for any failure to perform due to any cause beyond their reasonable control and without their fault or negligence, including acts of God or of the public enemy, acts of the government in its sovereign or contractual capacity, fires, floods, epidemics, terrorism, quarantine restrictions, strikes, freight embargoes, and unusually severe weather. In the event that performance of this Purchase Order is hindered, delayed or adversely affected by causes of the type described above ("Force Majeure"), then the Party whose performance is so affected shall so notify the other Party's authorized representative in writing and, at Buyer's option, this Purchase Order may be completed with such adjustments to delivery schedule as may reasonably be required by the existence of Force Majeure.

7. Disputes and Governing Law

- (a) If a dispute cannot be resolved to both Parties' mutual satisfaction, after good faith negotiations, within ninety (90) calendar days from the date the written claim is received by the other Party, or such additional time as the Parties agree upon, in writing, such dispute shall be settled in New York, New York by binding arbitration in the English language in accordance with the Rules of the

American Arbitration Association. The Appointing Authority shall be the president of the American Arbitration Association. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof. The Arbitrator(s) award may include compensatory damages against either Party. Under no circumstances will the Arbitrator(s) be authorized to, nor shall they award punitive damages or multiple damages against either Party. The Arbitrator(s) shall have the authority but not the obligation to award the costs of arbitration and reasonable attorney's fees to the prevailing Party; however, if the Arbitrator(s) do not award such costs and fees, each Party will be responsible for its costs incurred in arbitration except that the costs and fees imposed by the Arbitrator(s) for their expenses shall be borne equally by the Parties.

- (b) Notwithstanding the foregoing, Seller acknowledges that money damages may not be an adequate remedy for breach of Articles 9 and 16 of this Purchase Order, and Seller agrees that Buyer shall be entitled to seek injunctive relief in a court of competent jurisdiction in the United States, should Buyer allege that damages are not an adequate remedy for breach of such Articles, and only as necessary to preserve the rights of Buyer pending final resolution of the matter by way of arbitration as set forth in (a) above. Buyer shall be entitled to pursue such injunctive relief without an obligation to post a bond in connection therewith.
- (c) Pending resolution or settlement of any dispute arising under this Purchase Order, Seller will proceed diligently as directed by Buyer with the performance of this Purchase Order. Irrespective of the place of performance, this Purchase Order shall be governed and construed in accordance with the laws of the State within the United States from which this Purchase Order is issued by Buyer, without regard to its conflicts of laws provisions. The provisions of the "United Nations Convention on Contracts for International Sale of Goods" shall not apply to this Purchase Order, including any amendments or changes to this Purchase Order.

8. Remedies

- (a) Buyer may exercise all rights and remedies at law and in equity, including those set forth in Article 2 of the Uniform Commercial Code for both goods and services ordered hereunder. Failure of either Party to enforce any of its rights shall not constitute a waiver of such rights or of any other rights and shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.
- (b) Buyer shall be entitled at all times to set off any amount owing at any time from Seller to Buyer, against any amount payable at any time by Buyer to Seller.

9. Proprietary Rights

- (a) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order, all specifications, information, data, drawings, software and other items supplied to Buyer by Seller shall be disclosed to Buyer on a non-proprietary basis and may be used and/or disclosed by Buyer without restriction.
- (b) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order, all specifications, information, data, drawings, software and other items which are (i) supplied to Seller by Buyer or (ii) obtained or developed by Seller in the performance of this Purchase Order or paid for by Buyer shall be proprietary to Buyer, shall be used only for purposes of providing goods or services to Buyer pursuant to this Purchase Order, and shall not be disclosed to any third party without Buyer's express written consent. All such items supplied by Buyer or obtained by Seller in performance of this Purchase Order or paid for by Buyer shall be promptly provided to Buyer on request or upon completion of this Purchase Order.
- (c) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order, any invention or intellectual property first made or conceived by Seller in the performance of this Purchase Order or which is derived from or based on the use of information supplied by Buyer (collectively, the "Foreground IP") shall be considered

to be the property of Buyer. Seller hereby assigns its rights in the Foreground IP to Buyer and shall execute such documents necessary to perfect Buyer's title thereto. Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order, any work performed pursuant to this Purchase Order which includes any copyright interest shall be considered a "work made for hire". To the extent any of such works do not qualify as a "work made for hire", Seller hereby assigns to Buyer all its intellectual property rights, including its copyright rights, in such works effective immediately upon creation of such works, including when they are first fixed in a tangible medium.

10. Buyer's Property

- (a) All drawings, tools, jigs, dies, fixtures, materials, and other property supplied or specifically paid for by Buyer shall be and remain the property of Buyer and shall be returned to Buyer upon Buyer's request.
- (b) All such items shall be used only in the performance of work under this Purchase Order unless Buyer consents otherwise in writing.
- (c) Goods made in accordance with Buyer's specifications and drawings shall not be furnished or quoted by Seller to any other person or concern without Buyer's prior written consent.
- (d) Seller shall have the obligation to maintain any and all property furnished by Buyer to Seller and all property to which Buyer acquires an interest by this Purchase Order and shall be responsible for all loss or damage to said property except for normal wear and tear. Seller shall (i) within two (2) working days, report to Buyer the loss, theft, damage, destruction of any such property, or if any such property is found to be malfunctioning or otherwise unsuitable for use and (ii) determine and report the root cause and all pertinent facts as soon as they become known, and corrective action taken to prevent recurrence, at no additional cost to Buyer.
- (e) Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss or damage.
- (f) Seller shall clearly mark, maintain in inventory, and keep segregated or identifiable all of Buyer's property.

11. Release of Information

Seller shall not publish, distribute, or use any information developed under or about the existence of this Purchase Order, or use the Raytheon Company name (or the name of any division, affiliate or subsidiary thereof), logo, trademark, service mark, or trade dress for the purpose of advertising, making a news release, creating a business reference, creating a website content or for goods or service endorsement without prior written approval of Buyer.

12. Order of Precedence

- (a) In the event any of the provisions of this Purchase Order are inconsistent or in conflict, the following order of precedence shall apply: 1. Order-specific text on the Purchase Order; 2. Documents incorporated by reference on the Purchase Order which apply to the Purchase Order as a whole and not to a specific line item therein and not otherwise referenced in this Section 12; 3. These International General Terms and Conditions of Purchase (TC-004C) and Supplements thereto; 4. Statement of Work; and 5. Specifications attached hereto or incorporated by reference (see Paragraph 12(b) below).
- (b) Buyer's specifications, including Raytheon Quality Notes (see <http://qnotes.raytheon.com/>) shall prevail over specifications of Seller. In the event of conflict between specifications, drawings,

samples, designated type, part number, or catalog description, the specifications shall govern over drawings, drawings over samples, whether or not approved by Buyer, and samples over designated type, part number, or catalog description. In cases of ambiguity in the specifications, drawings, or other requirements of this Purchase Order, Seller must, before proceeding, consult Buyer, whose written interpretation shall be final.

13. Warranty

- (a) Seller warrants that the goods shall be (i) new (ii) free from defects in workmanship, materials, and design and (iii) in accordance with all the requirements of this Purchase Order. Seller further warrants that the performance of work and services shall conform with the requirements of this Purchase Order and to high professional standards.
- (b) Unless Buyer expressly identifies the goods that are procured under this Purchase Order as non-technical and for Buyer's internal use only, Seller warrants without limitation as to time that the goods delivered pursuant to this Purchase Order shall (i) be and only contain materials obtained directly from the Original Component Manufacturer (OCM) or the Original Equipment Manufacturer (OEM) (collectively, the Original Manufacturer (OM)) or an authorized OM reseller or distributor (collectively, an Authorized Distributor); (ii) not be or contain Counterfeit Items or Suspect Counterfeit Items, as defined below; and (iii) contain only authentic, unaltered OM labels and other markings. Seller shall obtain and retain all documentation required to fully trace the distribution and sale of the goods delivered hereunder back to the relevant OM, and, on request of Buyer, shall provide such authenticating documentation. Counterfeit Item means an unlawful or unauthorized reproduction, substitution, alteration, or the false identification of grade, serial number, lot number, date code, or performance characteristic, that has been knowingly mismarked, misidentified, or otherwise misrepresented to be an authentic, unmodified item from the OM, an Authorized Distributor, or an Aftermarket Manufacturer as defined in SAE AS5553 "Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition" (Authorized Aftermarket Manufacturer). A Suspect Counterfeit Item means an item for which credible evidence (including, but not limited to, visual inspection or testing) provides reasonable doubt that the item is authentic. Seller warrants that it will not act as or engage an independent distributor, non-authorized distributor, non-franchised distributor, non-authorized supplier, or non-authorized reseller (collectively, Broker), to assist it in delivering goods pursuant to this Purchase Order unless the Buyer provides prior written approval to do so. Any Seller request to procure from a Broker shall include complete and compelling support for such request and shall include all actions completed by Seller to ensure the goods thus procured are not Counterfeit Items. When so authorized by Buyer, Seller shall be responsible for counterfeit risk mitigation testing and providing traceability identifiers (i.e. Date Code / Lot Code, Serial number) for Broker procured parts, and identifying items delivered to Buyer that contain such parts. Seller shall include the substance of this Section 13 (b), including this flow down requirement, in procurements for goods at all tiers.
- (c) Unless Buyer expressly identifies the goods that are procured under this Purchase Order as non-technical and for Buyer's internal use only, Seller further warrants that it has and shall maintain a Counterfeit Item risk mitigation process, internally and with its suppliers, (reference SAE AS5553 and AS6174), for goods delivered hereunder, and in accordance with the standards or instructions set forth in this Purchase Order. Buyer shall have the right to audit, inspect, and / or approve the processes at any time before or after delivery of the goods ordered hereunder. Seller shall provide evidence of the Seller's risk mitigation process to Buyer upon request. Buyer shall have the right to require changes to the processes to conform with Buyer's defined standards, if any. Failure of the Seller or any of its subcontractors to conform to the above process specifications and provisions may result in the termination of this Purchase Order. Seller and Seller's subcontractors that are allowed access to the US Government Industry Data Exchange Program (GIDEP) shall participate in monitoring GIDEP reports and Seller shall act on GIDEP reports that affect product delivered to Buyer. Seller shall immediately notify Buyer with the pertinent facts if Seller becomes aware of or

suspects that items delivered for the Purchase Order are, or contain, suspect or confirmed counterfeit items. If a good delivered hereunder is discovered to be a Counterfeit Item or Suspect Counterfeit Item, Buyer shall have the right to quarantine the good for further investigation. Buyer's investigation may include the participation of third parties or governmental investigative agencies as required by law or regulations by Buyer's customer, or by Buyer, in its sole discretion. The Seller and/or the Seller's subcontractors shall cooperate in good faith with any investigation conducted by Buyer. Upon Buyer's request, Seller shall provide Buyer certificates of conformance with respect to the goods delivered. Buyer shall not be required to return the good during the investigation process and thereafter if not found to be authentic. Buyer shall not be liable for payment to Seller of the price of any Suspect Counterfeit Items until determined to be authentic. If Buyer determines in its sole discretion that there is credible evidence that a good delivered under this Purchase Order constitutes a Counterfeit Item or Suspect Counterfeit Item, Seller, or its subcontractor, shall, if directed by Buyer to do so, issue a GIDEP alert and shall ensure suspect or confirmed Counterfeit Items are not delivered to Buyer. Buyer reserves its right to issue its own GIDEP alert if Buyer concludes, in its sole estimation, that a good is a Counterfeit Item or Suspect Counterfeit Item. Seller shall include the substance of this Section 13 (c), including this flow down requirement, in procurements for goods at all tiers.

- (d) Seller warrants without limitation as to time that any hardware, software and firmware goods delivered under this Purchase Order: (i) shall not contain any viruses, malicious code, Trojan horse, worm, time bomb, self-help code, back door, or other software code or routine designed to: (a) damage, destroy or alter any software or hardware; (b) reveal, damage, destroy, or alter any data; (c) disable any computer program automatically; or (d) permit unauthorized access to any software or hardware; (ii) shall not contain any third party software (including software that may be considered free software or open source software) that (a) may require any software to be published, accessed or otherwise made available without the consent of Buyer, or (b) may require distribution, copying or modification of any software free of charge; and (iii) shall not infringe any patent, copyright, trademark, or other proprietary right of any third party or misappropriate any trade secret of any third party.
- (e) These warranty entitlements shall inure to the benefit of both Buyer and Buyer's customers.
- (f) Seller shall be liable for and save Buyer harmless from any loss, damage, or expense that Buyer may suffer from breach of any of these warranties. Remedies shall be at Buyer's election, including, but not limited to, the prompt repair, replacement, or reimbursement of the purchase price of nonconforming goods and, in the case of services either the prompt correction of the defective services at no cost or reimbursement of the amounts paid for such services. Return to Seller of defective or nonconforming goods and redelivery to Buyer of repaired or replaced goods shall be at Seller's expense. Repaired, replaced, or corrected goods or services shall be subject to this Section and the Inspection Section of this Purchase Order to the same extent as goods or services originally delivered under this Purchase Order.

14. Inspection

- (a) All goods and services shall be subject to inspection and test at all reasonable times and places by Buyer or Buyer's customer before, during, and after performance and delivery. Buyer may require Seller to repair, replace or reimburse the purchase price of rejected goods or Buyer may accept any goods and upon discovery of nonconformance, may reject or keep and rework any such goods not so conforming. Cost of repair, rework, replacement, inspection, transportation, repackaging, and/or reinspection by Buyer shall be at Seller's expense. Buyer's acceptance of goods or services shall not be deemed to diminish Buyer's rights or be final or binding on Buyer if latent defects, fraud, or misrepresentation on the part of Seller exists.
- (b) Seller will provide reasonable support and access to Buyer in the inspection and test of the goods and services without additional charge.

- (c) Neither Buyer's inspection nor Buyer's failure to inspect shall relieve Seller of any responsibility to perform according to the terms of this Purchase Order. Notwithstanding any other provision of the Purchase Order, the risk of loss of, or damage to, nonconforming goods remains with Seller until cure or acceptance.

15. Changes

Buyer shall have the right by written notice to suspend or stop work or to make changes from time to time in the services to be rendered or the goods to be furnished by Seller hereunder or the delivery schedule. If such suspension, stoppage, or changes cause an increase or decrease in the cost of performance of this Purchase Order or in the time required for its performance, an equitable adjustment shall be negotiated promptly and the Purchase Order shall be modified in writing accordingly. Any claim by Seller for adjustment under this Paragraph 15 must be asserted in writing within twenty (20) days from the date of receipt by Seller of notification of the change or suspension and shall be followed as soon as practicable with specification of the amount claimed and supporting cost figures. Failure to agree to any such change shall be resolved in accordance with Section 7 Disputes and Governing law herein.

16. Infringement

Seller represents and warrants that all goods and services (for purposes of this Section 16 hereinafter "items"), provided by Seller pursuant to this Purchase Order, which are not of Buyer's design, do not infringe or misappropriate any third party intellectual property rights and that any use or sale of such items by Buyer or any of Buyer's customers shall be free from any claims of infringement. Seller shall indemnify and hold Buyer, and its customers harmless from any and all expenses, liability, and loss of any kind (including all costs, expenses, and attorneys' fees) arising out of claims, suits, or actions alleging such infringement, which claims, suits, or actions Seller, hereby, agrees to defend, at Seller's expense, if requested to do so by Buyer. Moreover, Seller may replace or modify infringing items with comparable items acceptable to Buyer of substantially the same form, fit, and function so as to remove the source of infringement, and Seller's obligations under this Purchase Order including those contained in Section 13 Warranty and in this Section 16 shall apply to the replacement and modified items. If the use or sale of any of the above items is enjoined as a result of such claim, suit or action, Seller, at no expense to Buyer, shall obtain for Buyer and its customers the right to use and sell said item.

17. Taxes and Drawback

- (a) Unless this Purchase Order specifies otherwise, if Seller ships goods or components to the United States pursuant to this Purchase Order, Buyer shall act as Importer of Record only if two conditions are met: (i) the Purchase Order is issued in the United States; and (ii) the goods are shipped directly to the United States from the country where Seller is located. When Buyer acts as Importer of Record, the price of this Purchase Order shall not include any duties, taxes, or fees resulting from such importation. If Seller acts as Importer of Record, the price may include duties, taxes, and fees resulting from that importation, unless Buyer has furnished a valid exemption certificate or other evidence of exemption, which the applicable government agency has granted. The price may include applicable sales and use taxes that are separately stated on Seller's invoice, but Seller retains the responsibility to remit taxes collected from Buyer to the relevant tax authority.
- (b) Any refund, credit, or rebate of any import duties, taxes, or fees (including any drawback claim), in Seller's price to Buyer, shall inure solely to Buyer's benefit and shall be assigned to Buyer. Seller shall reasonably assist Buyer in Buyer's effort to realize any such available amounts.

18. Assignments, Subcontracting, Organizational Changes, and Place of Performance

- (a) Seller may not assign any rights or delegate any of its obligations due or to become due under this Purchase Order without the prior written consent of Buyer. Any such purported assignment

or delegation by Seller without such consent shall be void. Buyer may assign this Purchase Order to (i) any affiliated company, (ii) any successor in interest, or (iii) Buyer's customer.

- (b) Seller may not subcontract any part of this Purchase Order without the prior written consent of Buyer. Buyer shall not be obligated to any subcontractor for the materials, products, or services of any subcontractor whether or not Buyer has consented to or designated a subcontractor. Approval of a subcontractor is not a release or waiver of any obligation of Seller or right of Buyer. Seller is responsible for all actions or inactions of any subcontractor and shall bind its subcontractors for the benefit of Seller and Buyer to perform its obligations under these terms. If Seller subcontracts any part of the work outside the country of purchase, Seller shall be responsible for customs formalities and clearances to the country of Purchase Order placement, unless the Purchase Order states otherwise, and Buyer may direct the contract of carriage. Seller shall agree with Buyer on a mutually acceptable customs broker, but Seller shall in no way be relieved from its responsibilities for customs formalities and clearances, including the actions of the selected customs broker. Any subcontract awarded to a foreign person, as defined in the International Traffic in Arms Regulations or the Export Administration Regulations, must comply with the Export and Import Compliance Controls Section herein.
- (c) Seller shall promptly notify Buyer in writing of any Seller name or ownership changes, or mergers or acquisitions.
- (d) Seller shall not change the place of performance under this Purchase Order without Buyer's prior written consent.

19. Compliance with Law

- (a) Seller acknowledges that its actions may subject it and Buyer to liability under the United States Foreign Corrupt Practices Act, 15 U.S.C. § 78 et seq. (the "FCPA"), the UK Bribery Act 2010, the anti-corruption laws, regulations, and policies of Seller's home country, the United States of America, and/or the anti-corruption laws, regulations, and policies of any other country with jurisdiction over the activities performed pursuant to this Purchase Order (together and individually hereinafter referred to as the "Anti-Corruption Requirements").
- (b) Seller warrants that no compensation payable hereunder has been used, nor will be used, for any activity or purpose where a reasonable belief exists that the Anti-Corruption Requirements would be violated or that Seller or Buyer would be exposed to liability under the Anti-Corruption Requirements.
- (c) Seller represents and warrants to, and covenants and agrees with, Buyer that:
 - 1. Seller is familiar with the prohibitions under the Anti-Corruption Requirements, and, in particular, it is familiar with the requirements described in clause 19(c)(2).
 - 2. In connection with its performance of this Purchase Order, Seller has not, and has not either agreed to or directly or indirectly, offered, paid, given, promised to pay or give, or authorized the payment or giving of any money, gift, loan, fee, reward, advantage or anything of value, and will not either agree to or directly or indirectly, offer, pay, give, promise to pay or give, or authorize the payment or giving of any money, gift, loan, fee, reward, advantage, or anything of value to:
 - (i) (A) any officer or employee of a foreign government or any department or agency thereof, whether at the national, regional, or local level, (B) any officer or employee of any entity, enterprise or organization that is owned or controlled by a foreign government or any department or agency thereof; (C) any officer or employee of a public international organization, (D) any person acting in an official capacity for or on behalf of any such government or department, agency, entity, enterprise, or organization, or (E) any member of a political party or candidate for public office in a foreign country (together and individually hereinafter referred to as "Government Official");

- (ii) any customer, or any officer, director, employee of a customer, or any shareholder or beneficial owner of shares in a customer or any affiliate of a customer or any person who has or exercises control over the customer or any affiliate of the customer (together and individually hereinafter referred to as "Customer Personnel").
 - (iii) any person while knowing or having reason to know that all or a portion of such money, gift, loan, fee, reward, advantage, or thing of value will be offered, paid, given or promised, directly or indirectly, to any Government Official or Customer Personnel ("Restricted Person"); or
 - (iv) any relative, close associate, agent or representative of a Government Official, Customer Personnel, or Restricted Person, for the purpose of: (A) influencing or attempting to influence any act or decision of any Government Official, Customer Personnel, or Restricted Person acting in an official capacity, or influencing or attempting to influence any Government Official, Customer Personnel, or Restricted Person to do or omit to do any act in violation of his, her or its lawful duty, obligation or responsibility; (B) inducing or attempting to induce a Government Official, Customer Personnel or Restricted Person to use his, her, or its influence to affect or influence any act or decision of a customer, a foreign government, a foreign agency, a public international organization or department thereof, or any entity, enterprise or organization controlled by a foreign government, a foreign agency or a public international organization; (C) rewarding a Government Official, Customer Personnel, or Restricted Person for doing or forbearing to do anything in respect of any matter or transaction; or (D) assisting Seller or Buyer in obtaining or retaining business, improving profitability or revenues of Buyer or Seller, or receiving any improper advantage by securing business, or directing business for, with, or to any person.
3. None of Seller's principals, consultants, subcontractors, officers, directors, shareholders, employees, or agents is a Government Official, Customer Personnel, or Restricted Person unless approved by Buyer pursuant to Paragraph 9, below. Neither Seller nor any of its principals, consultants, subcontractors, shareholders, directors, officers, employees, or agents has performed or will perform any act which Buyer could reasonably believe would constitute a violation of the Anti-Corruption Requirements or which Buyer could reasonably believe would cause Buyer to be in violation of the Anti-Corruption Requirements, or present a credible risk, as determined by Buyer, of a violation of the Anti-Corruption Requirements.
4. If at any time Seller becomes aware of information or circumstances that suggest any of the representations, warranties, and covenants referenced in this Section 19 may not be accurate, it shall notify Buyer immediately in writing, but not more than seven (7) days after becoming aware of such circumstances.
5. No Government Official, Customer Personnel, or Restricted Person has a right to share directly or indirectly in any compensation payable under this Purchase Order. No payment will be made hereunder to any person other than Seller; and no payment will be made to Seller under this Purchase Order other than the payment of the compensation in accordance with the terms hereof.
6. In connection with this Purchase Order Seller shall maintain books, records, and accounts, which in reasonable detail, accurately and fairly reflect the transactions and asset dispositions of Seller and allow Buyer to maintain accurate books and records and comply with the requirements for internal management controls set forth in the Anti-Corruption Requirements as well as relevant U.S. laws and regulations.
7. Any modification or amendment to this Purchase Order shall be deemed a re-certification of the accuracy and truthfulness of the foregoing representations and warranties of this Section.
8. Seller's price quotations and invoice prices shall accurately and fairly reflect the commensurate value of the goods and services provided under this Purchase Order.

9. Seller shall cooperate with, and provide assistance to, Buyer in implementing adequate due diligence procedures in connection with the selection and retention of consultants and subcontractors by Buyer or Seller. In the event that Buyer determines that consultants and subcontractors selected and to be retained by Seller are a Government Official, Customer Personnel, or Restricted Person as defined above, Seller shall confirm that such consultants and subcontractors are competent, experienced and financially solvent and shall cause each such consultant and subcontractor to complete the Questionnaire and Certification form attached hereto as Exhibit B and any other documentation reasonably required by Buyer, and shall deliver such completed form and any required documentation to Buyer for review. If, after review of the completed Questionnaire and Certification form and any required documentation, Buyer agrees to Seller's use of such consultant or subcontractor in connection with satisfying the requirements of this Purchase Order, Seller shall include the substance of this Section 19 in any agreement between Seller and the consultant or subcontractor and shall cause the consultant or subcontractor to include the substance of this Section 19 in all agreements with any lower tier consultants or subcontractors.
- (d) Seller warrants that it and its officers, employees or representatives have not, for the purpose of improperly obtaining or rewarding favorable treatment in connection with the award of this Purchase Order to Seller from Buyer: (1) provided, attempted to provide, or offered to provide any kickback; (2) solicited, accepted, or attempted to accept any kickback; or (3) included, directly or indirectly, the amount of any kickback prohibited by (1) or (2) of this Section in the price charged by Seller to Buyer under this Purchase Order. Any breach of this warranty shall constitute a material breach of this Purchase Order. For purposes of this Section, the term "kickback" means any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind which is provided, directly or indirectly, to Buyer or Buyer's officers, employees or representatives, including any of their family members, subcontractors, or subcontractor employees, for the purpose of improperly obtaining or rewarding favorable treatment in connection with this Purchase Order.
- (e) RESERVED
- (f) Seller warrants that it has and shall maintain all registrations and licenses and shall obtain permits as required to perform the work hereunder.
- (g) Seller agrees to defend, indemnify, and save Buyer harmless from any loss, damage, fine, penalty, or expense that Buyer may suffer as a result of Seller's failure to comply with the warranties and certifications in this Section 19.

20. Responsibility and Insurance
